

# Government of Rajasthan Department of Finance

## IFMS 3.0, Govt. of Rajasthan Mobile Application for Finance Department, Govt. of Rajasthan User Manual

# 1. Overview

As a part of development of IFMS 3.0 Govt. of Rajasthan application, A mobile application has been developed for Employees and Pensioners to provide their related information in their handheld device for easy access. This mobile application is available on both Google play store and Apple app store. Predominantly mobile application can provide following information to employees and pensioners:

## **For Employees**

- Employee Profile
- Employee Personal Details
- Employee Addresses (Present & Permanent)
- Status Details
- Pay Entitlement Details
- Bank Account Information
- Employee Relevant Dates
- Employee Family Details
- Downloads (Salary Slip- Month wise, GA-55, Form 16)

## **For Pensioners**

- Pensioner ID
- CPO Amount
- GPO Amount
- Monthly Pension Amount
- Yearly Pension Amount
- Downloads (Pension Kit & Life Certificate)

## 2. Prerequisites

### 2.1 User Access Category

There are two types of users those can access the mobile application

1. Government Employees
2. Government Pensioners

**Note:** At the time of login, users will be identified based on their mobile numbers. If user is an employee, he/she can access employee related information and If they are pensioner than he/she can access their related information.

### 2.2 For Mobile Application Access

- Requires a smart phone either with Android operating system (OS) or iOS operating system.
- The minimum Android version should be 4.0.3 and up to avail all the features in the application.
- User should possess registered mobile number with their SSO ID and require an Internet connection in your mobile to login into mobile application.
