No. २३६

Jaipur, Oct. 21, 2022

To,

The Technical Director,
NIC,
Jaipur.

Sub: Regarding Income Tax related investment to be shown on the IFPMS Portal.

Dear Sir,

The pensioners were supposed to furnish information regarding their investment on IFPMS portal but the majority of the pensioners have not furnished the required information of their investment till date. Earlier also it was directed that investment related information is to be uploaded latest by 30th November, 2022. Now it is again reiterated that after this date no request for exemption from Income Tax deduction shall be entertained on account of any investment by the pensioner and Income Tax shall be deducted from the pension as per the amount paid to the concerned pensioner.

You are requested to show and place on IFPMS portal this information under "Caption" so that this important information can be communicated to the pensioners.

(Sanjay Solanki)
Director

For kind attention of Pensioners:
Please upload your investment related documents latest by 30.11.2022, failing which the taxable amount on the pension paid in the financial year will be deducted automatically by the department.
